Previous sponsor highlight: The Vernon Building Society

We were delighted to have the Vernon Building Society sponsor Join Together Festival as part of their centenary celebrations in 2024

On pages 6-8, you'll find details for our traditional sponsorship packages. However, our dynamic team are also open to working with you to raise your profile in bespoke, creative ways.

In 2024, as our main sponsor, Vernon were invited to have a significant presence on the day of the festival. Their stand was the final point of our scavenger hunt, which meant that every attendee visited their stall to collect their prize. Their brass band performed twice in front of the stage, and their mascot, Vernon Bear, was also in attendance - he even tackled the climbing wall!

We previously received donations from:

£3,000

Greater Manchester
High Sheriff's Police
Trust (for activities)

£1,000

Manchester Airport
Group

Hire of tables and
chairs donation

Options Great Hire

Sponsoring the Join Together Festival boosts your community profile while offering valuable staff engagement opportunities that enhance morale and retention.

Who are we?

We are the Together Trust! You might have worked alongside us for years or be totally new to us as a charity.

The Together Trust vision is that we live in a society where people thrive because they are valued within their communities. Which makes it our mission to champion the rights, needs and ambitions of the people we support - they are at the heart of everything we do. We stand by them and we work together for change.

What is the Join Together Festival?

The festival is our charity's flagship event and has been a firm fixture in the local calendar since 1921!

After the pandemic, we relaunched the festival as Stockport's accessible family festival. Our aim is that anyone, regardless of disability, can enjoy the event alongside their friends, family and community.

With over 2,500 people in attendance and over £7,000 raised, last year's event was a roaring success. Festival goers adored our fairground, local stall holders and refreshments, sensory areas, therapy animals, axe throwing, a climbing wall, performances from students and local groups, and so much more.

This year we will be bringing all this back - with even more to enjoy!

Your audience

The demographic of our audience largely comprises of:

Local residents, business owners, performers and their loved ones

The people we support and their family and friends

Employees of the Together Trust and their family and friends

Our trustees, governors, supporters and partners

The benefits of sponsorship

Sponsorship provides great opportunities for mutual benefit, profile raising in the local community and a unique platform to promote your brand, programme and services to a broad audience:

- **Brand association** with an event that attracts around 2,500 local people and a charity that has been a part of the local community for over 150 years.
- **Promote your business** to a large and supportive audience including our schools' families and friends, and the wider community.
- **Increase your business** through local profiling via Join Together Festival signage, media coverage, social media, online and print advertising and a wide range of sponsorship benefits.
- **Increase employee engagement** by involving your team in a variety of volunteer roles pre, during and post event.

Our charity supported over 3100 last year alone. By becoming a Join Together Festival sponsor, not only is your brand reaching the wide community we support, you're also demonstrating your commitment to breaking down barriers for care-experienced, disabled and neurodivergent people across the North West.

Without the support of local businesses and the community, we would not be able to provide essential specialist equipment and additional services that change lives.

Be that company that cares!
